Health Coverage that Travels the World

Why Buy International Medical Insurance?

The answer is easy. If you are a US citizen living abroad, traditional sources of US private health insurance may not meet your needs. Geographical exclusions and provider limitations common to these policies will restrict or even eliminate the coverage available to you while you are outside the US. At the same time, you may not be eligible for participation in the government-sponsored plans in the country where you reside, or you may wish to have access to health care in other countries, including the US, in the event you become seriously ill. If you are a non-US citizen, you may need an international medical insurance policy to supplement the coverage available to you through a plan sponsored by your government or to provide coverage while you are outside your home country. If you travel or reside worldwide, HCC Medical Insurance Services has designed CitizenSecureSM and CitizenSecureSM Economy to meet your needs.

Who is the Plan Administrator?

HCC Medical Insurance Services (HCCMIS), headquartered in Indianapolis, Indiana, is a full service organization offering a comprehensive portfolio of insurance products designed specifically to address the insurance needs of consumers worldwide. HCCMIS is a subsidiary of HCC Insurance Holdings, Inc. (HCC), which is a leading international specialty insurance group headquartered in Houston, Texas. HCC has assets of more than \$8.6 billion, shareholders' equity in excess of \$2.7 billion and is rated 'AA' (Very Strong) by Standard & Poor's, 'AA' (Very Strong) by Fitch Ratings and 'A+' (Superior) by A.M. Best Company.

Who is the Insurer?

CitizenSecureSM and CitizenSecureSM Economy are insured by Syndicate 4141 at Lloyd's, London. Lloyd's is the largest and oldest insurance market in the world and is rated 'A' (Excellent) by A.M. Best Company and 'A+' (Strong) by Standard & Poor's. Lloyd's provides financial strength and security that is unparalleled in the worldwide insurance market. Lloyd's is recognized as a market leader in the accident and health insurance arena and is well known for its innovative products and services. Presently, Lloyd's provides accident and health insurance to millions of individuals in almost every country of the world.

Am I Eligible for CitizenSecureSM?

Both CitizenSecureSM plans are available to citizens of most countries of the world who are at least age 14 days and not over age 74. If you are a US citizen, you must reside outside the US or be departing the US within 30 days of the effective date. If you are a US citizen, you must also reside outside the US for at least 6 months within each Certificate Period. Citizens of other countries may reside abroad, including the US or their country of citizenship. Optional Term Life Insurance is not available to residents of the US, regardless of citizenship.

Is Coverage Under CitizenSecureSM Renewable?

Yes. CitizenSecureSM products are annually renewable. There are no medical questions at renewal. Renewal is subject to your continued eligibility and timely payment of premiums. Your renewal premium will be the same as all persons of the same Certificate origination year, age and gender. If you purchase coverage before you reach the age of 65, and maintain coverage continuously for 10 years, subject to continued eligibility, you will automatically be eligible to apply for the CitizenSecureSM Senior Plan with no medical questions.

CitizenSecureSM Senior Plan

Eligibility for the standard CitizenSecureSM plans ends at age 75, but for those members who joined before age 65 and have maintained coverage for at least 10 years, the CitizenSecureSM Senior Plan is available with no medical questions. The CitizenSecureSM Senior Plan offers many of the same benefits and limits as the standard CitizenSecureSM plan. The Senior Plan deductibles available are \$5,000, \$7,500, and \$10,000. On the Senior Plan, the Overall Maximum Limit is reduced to \$1 million. Additionally, the Human Organ Transplant and Emergency Medical Evacuation benefits are deleted. The CitizenSecureSM Economy Senior Plan mirrors the eligibility and benefit changes of the regular CitizenSecureSM Senior Plan while retaining the scheduled benefit format.

How Do I Apply for CitizenSecureSM?

HCCC Medical Insurance Services (HCCMIS) offers a variety of ways for you to apply for coverage.

Applying Online, by Fax, or by Mail

Complete the Application for Insurance and send it with your initial premium payment to your agent or to HCCMIS. Remember, your Application will become a permanent part of your record as well as part of your Certificate of Coverage. Answer each question thoroughly and legibly. You may attach additional sheets if necessary.

Within five business days of receipt of your Application, you will be informed of whether your Application has been accepted or of any additional information required for continuing the evaluation of your Application. If your Application is accepted, you will be informed of the effective date of coverage, and a fulfillment kit will be sent via mail containing your Certificate of Coverage, an identification card, a Claimant's Statement, and instructions on how to use your insurance. In the event that your Application is not accepted, HCCMIS will promptly refund your premium.

Applying by Phone

You may apply over the phone by calling 1-866-968-4668 (toll free) or 1-317-221-8098 (collect calls accepted). An underwriting representative will gather your personal details, benefit choices, and medical history and may be able to notify you immediately of acceptance or of additional information needed. In some cases, your application may be pending for additional medical review. Within two business days following any telephone application, an e-mail will be sent to you regarding the status of your application and requesting verification of your application. If you do not meet the eligibility guidelines based on information collected during the call, you will be advised immediately.

What Should I Expect During the Underwriting Process?

CitizenSecureSM and CitizenSecureSM Economy are medically underwritten plans, which means that your family's medical status and history will be used to determine your eligibility for coverage. When Underwriting reviews your Application, they will evaluate the medical information that you provide and determine whether coverage can be issued and if Riders are necessary. These Riders allow Underwriting to issue a Certificate by excluding coverage for specified conditions.

Additionally, your premium may be impacted by certain factors. If additional premium is due, you will be notified after a medical underwriter has reviewed the application.

Preferred Provider Network (PPO)

Coinsurance will be waived for expenses incurred in the US within our direct-pay PPO. Simply present your identification card at the provider's office so that they may contact us to verify benefits and billing information. For your convenience, HCCMIS also offers an international network. Both networks are searchable through Client Zone, which is accessible with your Certificate number and date of birth once coverage has been approved.

How Do I File a Claim?

Filing a claim is easy. Once your Application is accepted, you will receive a kit which contains Claimant's Statement and Authorization forms. Complete this Claimant's Statement and Authorization form, attach original, itemized bills, and forward them to HCCMIS. Be sure to complete your Claimant's Statement entirely and sign it. If you have already paid certain expenses, attach copies of your payment receipts. You will be reimbursed for eligible medical or dental expenses. In many cases, HCCMIS will make payments directly to the hospital or physician that treated you. Remember, you are responsible for the deductible, coinsurance, and any ineligible charges.

Pre-certification

CitizenSecureSM plans require Pre-certification, which simply means that you must contact HCCMIS as soon as possible before a planned hospitalization or surgical procedure, within 48 hours of an emergency hospital admission, or within the first 90 days of pregnancy. Pre-certification allows us to establish contact and make payment arrangements with your providers, negotiate discounts which will benefit both you and us, pre-arrange future care, and plan for your claim. Pre-certification helps us help you.
